Dear Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained.

While the applicant has not received a Notice of Abandonment to date, the above-identified application was abandoned on May 23, 2004, by failure to file a Response to Notification of Missing Requirements, Declaration and Request for Extension of Time.

11/10/2004 CNGUYEN 00000080 220261 10627989

01-EC:2453 685-00-DA

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was wholly unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be inadvertent, the enclosed Response to Notice to File Missing Parts should be entered and the case revived.

The Director is hereby authorized to charge the amount of \$665.00 covering the fee set forth in 37 CFR 1.17(m) and any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0261, under Order No. 28549-202510. A duplicate copy of this paper is enclosed.
